

# DSI Raffle Donation

First Wing Jet Center, Indianapolis Executive Airport and the Commemorative Air Force are excited to once again host the **14<sup>th</sup> Annual Open House and Fly-In benefiting Down Syndrome Indiana (DSI) on Saturday, June 20, 2020**. We are excited to once again partner with and feature the **Commemorative Air Force's Wings Over Indy**.

The mission of the 14th Annual Open House and Fly-in is to introduce the community to the excitement and wonder of aviation, while raising funds for two organizations that are making a difference in the lives of families in central Indiana. The family-friendly event features an open house, airplane rides, aircraft on display, helicopter candy drop, Kids Zone, Warbirds, helicopters, food trucks and more!

As always, the focus of the day is to raise money for a great cause, DSI, an organization that is truly making a difference in the lives of those living with Down Syndrome. DSI uses these funds for programs to help individuals with Down Syndrome achieve independence and inclusion in their community. DSI also ensures that those living with Down Syndrome have a voice with policymakers and work to increase positive awareness and understanding with the public at large.

Our joint efforts have been extremely successful over the past 14 years; together we have raised more than \$209,000 and have become one of the organization's most important fundraisers over the years. **We always believe we can do more and are asking you to play an important role in this event by donating a raffle item.**
