

2009 Pilatus PC-12NG For Sale

Eagle Creek Aviation, A Jet Access Company, is proud to announce that we are now a Pilatus PC-12 Service Center.... and we are excited to offer N773PC for sale. This PC-12NG features the 7-Blade MT Propeller and nice cosmetics.

Versatile. Safe. Reliable. Proven. These are terms operators of PC 12s frequently use to describe their aircraft, and why so many people around the world trust the PC 12 to fly their families, employees, customers and critical cargo. Add comfort, quality, efficiency and time savings to the list of benefits for those who travel on the world's most popular single engine business aircraft.

High residual values, low operating costs, and proven safe operation of over seven million flight hours and over 1,800 aircraft easily explain why the PC-12 has earned an untarnished reputation as one of the best investments in business aviation.
